

British Urology Transplant Symposium

29th–30th November 2018

The Institute of Transplantation
Freeman Hospital
Newcastle upon Tyne, NE7 7DN

Building on the success of the inaugural British Urology Transplant Symposium you are warmly invited to the second BUTS conference. Whether a renal transplant surgeon with questions on urological management or a urologist interested in pertinent aspects of transplantation, this symposium will be an excellent educational and networking opportunity. CPD points confirmed. Symposium evening meal on 29th and full day conference on 30th. Consultants £70 Trainees £50
To register an interest for the event please email; deborah.wood@nuth.nhs.uk
