

Joint Annual Congress 2019

6th - 8th March | Harrogate Convention Centre

**NHS**  
Blood and Transplant

 **Yes I donate**  
ORGAN DONATION

The British Transplantation Society and NHSBT Organ Donation & Transplantation have joined forces to run joint congress at the Harrogate Convention Centre from Wednesday 6<sup>th</sup> to 8<sup>th</sup> March 2019. The aim of the Congress is to unite clinicians, surgeons, laboratory scientists, nurses, transplant coordinators and all those interested in all aspects of organ transplantation and donation.

We are putting together an exciting and stimulating programme which we hope will appeal to everyone, combining expert clinical updates with the latest in laboratory science. The three day meeting will attract around 700-800 delegates with an interest in all areas of transplantation and donation. The Congress is supported by a strong national and international faculty of speakers.

It is with this in mind that the Organising Committee seeks the submission of original, unpublished papers for consideration as oral (podium) or poster presentations. Abstracts will be reviewed by the conference scientific committee and will be selected on the basis of set criteria.

**The closing date for receipt of abstracts is 09:00 on  
Thursday 22 November**

#### **Oral presentations – BTS Medawar Medal**

To be considered for the BTS Medawar Medal, please ensure that you have read and understood the terms and conditions linked here

[Medawar medal rules and regulations](#)

Poster guidelines will be provided once all abstracts have been reviewed.

Please note that abstracts that do not conform to the instructions will be rejected.

**Congress registration is now open – Visit <https://bts.org.uk/events-meetings/annual-congress-2019/>**

**Benefit from reduced registration fees – [Click here to apply for membership to the BTS](#)**

Any enquiries about abstract submissions should be directed to [secretariat@bts.org.uk](mailto:secretariat@bts.org.uk) or by calling + 44 (0) 1625 664547.
