

Sponsorship and Exhibition Opportunities

Overview

The British Transplantation Society's annual congress will be held at the HCC, 5 to 8 March 2019. The congress is an invaluable forum for learning about the very latest science, sharing best-practice and networking with peers and opinion leaders. The three day meeting will attract between 600 and 800 delegates with an interest in all areas of transplantation. The congress is also supported by a strong national and international faculty of speakers.

Please note that as a benefit of their level of support, sponsorship and exhibition opportunities are offered to our Corporate Partners first before being offered to the wider industry community.

SPONSORSHIP OPPORTUNITIES

All prices are exclusive of UK VAT at standard rate

- a) Sponsored symposia – 2 available** **Total cost – £20,000.00**
- The sponsoring company takes responsibility for the content – topic and speakers to be approved by the programme committee prior to agreement. The sponsoring company also pays all expenses for speaker travel, registration, additional AV, etc. in addition to the sponsorship price.
- Two 45 minute sessions** available – 16:30 on Wednesday and 18:00 on Thursday, on a first booked basis.
- Package includes:
- Company logo and acknowledgement to appear alongside the lecture entry on the annual congress programme
 - Company logo and acknowledgement to appear alongside the lecture entry on any pre-congress marketing materials*
 - Option to provide a pdf one page flyer for the congress app and website
 - Logo and acknowledgement on the holding slides
- *subject to confirmation, prior to print deadlines*
- b) Sponsorship of the congress app** **Total cost – £4,000.00**
- The congress app provides detailed information about the event including the congress programme, abstracts, sponsor, speaker and exhibitor information. Package includes:
