

ANNOUNCEMENT**NHSBT Multi – Organ Retrieval Masterclass
Tuesday 17th and Wednesday 18th December 2019****De Vere Tortworth Court
and
Bristol University
Vesalius Clinical Training Centre**

This is a two-day workshop designed to optimise the quality of organs offered for transplantation by improving retrieval practice. The course is aimed at surgical trainees with an interest in abdominal (liver, pancreas, kidney) and cardiothoracic (heart, lung) organ donation and transplantation. It includes lectures and workshops together with practical demonstrations of relevant techniques involving all participants.

For those who seek competency to participate in a National Organ Retrieval Service team in the UK this Masterclass is a mandatory part of the required competency accreditation as a retrieval surgeon in the UK.

On behalf of the National Faculty

Professor Rutger Ploeg
