

**Blood and Transplant**

# COVID-19 Update

## BTS & NHSBT Webinar

**Who to transplant and when**

**Date:** Thursday 30<sup>th</sup> April 2020

**Time:** 13:00 - 14:30

It is with great pleasure that BTS and NHSBT invite you to attend a webinar to provide an update on COVID-19 in the transplant community.

### Programme

**The risks of COVID-19 from the donor** - Dale Gardiner, NHSBT

**The risks of COVID-19 to the living donor** - Jonathon Olsburgh, Guy's & St Thomas' Hospital, London

**The risks of COVID-19 to the recipient** - Aisling Courtney, Belfast City Hospital

**The risks of not transplanting- mortality rates from covid on dialysis** - Nicholas Torpey, Addenbrooke's Hospital, Cambridge

**Considerations for restarting transplant programmes** - Chris Callaghan, Guy's & St Thomas' Hospital, London

**Chair:** Nizam Mamode, Guy's & St Thomas' Hospital, London

**This meeting is free of charge to attend online, however online registration prior to the webinar is necessary. Registration will close at 12:30pm on Thursday 30<sup>th</sup> April.**

This online meeting is organised and funded by Chiesi Limited, with no input into the clinical content. Please note that this webinar is aimed at UK Healthcare Professionals. The licensing of products and clinical practice in the UK may differ from those of other countries. Opinions are those of clinicians and not necessarily those of Chiesi Limited.
