

SURGICAL TRAINING WEBINAR - BTS SURGICAL CURRICULUM UPDATE PROGRAMME

Registration: Free for BTS Members

Zoom access details available upon registration

The BTS is delighted to put together a webinar to address the challenges of the Surgical Curriculum for transplantation in the United Kingdom. The webinar is aimed at trainees, trainers and Training Program Directors to address some of the issues raised by both the new curriculum, organ specific procedure requirements, Multiple Consultant Reports, Generic Professional Capabilities etc.

The emphasis of the webinars will be on practical issues, solutions and address the following burning questions:

- What has changed?
- What does this all mean day to day?
- What do I need to do?

- 13:00 Introduction & welcome
Mr Colin Wilson BTS, Gen Secretary and Transplant Surgeon
- 13:05 Update on ISCP training and assessment for Transplant trainees
Mr David Van Dellen, North West Training Program Director and Transplant Surgeon
- 13:30 Challenges of the new curriculum- a Trainee perspective
Mr Tom Nieto, Herrick Society President
Miss Emily Thompson, ST5 Transplantation
- 13:45 Group Discussion
- 14:00 END
