The closing date for submission of abstracts is 09:00 on 28 November 2024.

We are delighted to announce that the BTS NHSBT Annual Congress 2025 will take place from the 12 to 14 March at The Brighton Centre, Brighton.

The aim of the Congress is to unite clinicians, scientists, allied health professionals and all those interested in all aspects of organ donation and transplantation.

We are putting together an exciting and stimulating programme, which we hope will appeal to everyone, combining expert clinical updates with the latest in laboratory science. The three-day meeting will attract around 650 delegates with an interest in all areas of organ donation, retrieval, and transplantation.

It is with this in mind that the Organising Committee seeks the submission of original, unpublished papers for consideration as **live oral (podium), podium presented moderated poster, or electronic poster presentations**. Abstracts will be reviewed by the conference scientific committee and will be selected based on set criteria.

Congress registration will open on **Thursday 26 September 2024**

EARLYBIRD DEADLINE: **Monday 3 February 2025**
